

Pin the tail on the Red Panda

Place something sticky like Blu Tack, Tack-it, Plasti-Tac on the end of the Red Panda tail.

Hang the Red Panda picture on a wall that is roughly eye level to your party guests.

Have the children line up in single file and blindfold the first child in the queue.

Give them the Red Panda tail and gently spin them around three times.

Point the blindfolded child towards the Red Panda and ask them to place the tail on the Red Panda (green point).

Mark the spot where he places the tail with their name.

Once every child has had a turn, the child with the Red Panda tail closest to the correct position wins.

This 'Pin the Tail' game can be printed in any size you like (A4, A3, A2, A1).
The larger, the easier it'll be to play.
Enjoy!
